

RWANDA YOUTH TRIP 2017

For Young People ages 16-25

Visit Rwanda:

For a number of years, The Wolverhampton and Shrewsbury Methodist District has been taking groups of adults and young people to visit projects in Rwanda.

The most recent youth trip was in Summer 2015 where young people experienced Rwandan hospitality, shared in worship, delivered holiday club in remote locations and visited Kibogora hospital... Along with learning about how Rwanda has grown and been shaped by its past.

We have the opportunity to take a group of young people in 2017... so if you know anyone who might be interested, please come along to one of the information evenings.

Taking part in running Holiday Club activities with Children and visiting remote schools.
